THE ULTIMATE SPORTS GUIDE

Reader Comments

I am in receipt of the new Ultimate Sports Guide and I must tell you what a terrific reference book it is! We often get visitors in from out-of-town who inquire about various sporting event, ski resorts, golf, etc, and it's great to have the Sports Guide handy to help with their inquiries. Thanks so much for keeping KTVU and me in mind; I greatly appreciate it.

Being in the golf tournament business I can assure you that the seasonal Ultimate Sports Guides are wonderful and very well received additions to the tee prize bags at my events. Tournament Event Enterprises is pleased and proud to offer such an attractive and useful item of quality to our clients!

Thank you for the Ultimate Sports Guide. At an easy glance, I could cross-reference many schedules. It will be very useful for planning special SCU events to make sure there are no other sporting conflicts. Thank you for thinking of Santa Clara University.
